

I REALLY FIND THIS HARD TO BELIEVE. THE CONVENTIONAL RADIOSTATIONS ARENT EVEN
IN THE SAME LEAGUE AS XM. XM IS LOUD AND PROUD NATIONWIDE.I AM A OVER THE ROAD
TRUCKER. I LISTEN TO
XM ALL THE TIME.IT REALLY HELPS TO KNOW WHAT'S 500 MILES AHEAD
OF YOU. WHICH IS IMPOSSIBLE WITH REGULAR RADIO.IF THEY WANT A PIECE OF THE PIE,,
GET THIER WHINY LITTLE BUTTS UP THERE ON A
SATILLITE.IF NOT THEN DON'T SCREW UP A REALLY GOOD THING."PEACE AND LONG LIFE"
FROM OUT HERE ON THE "BIG ROAD"
" LONG LIVE ROCK AND ROLL"
